**Action plan Report of Feedback at Institutional Level**

The action plan on feedback is a systematic approach that also requires the adoption of sum statistical methodologies and five point evaluation analysis. The product is evaluated using the normal statistical techniques & Quantitative methods. The action taken are shown in the following table considering responses & theirs suggestions .All measures has been taken seriously because it is important for overall college development

Sr. No.	Feed back	Received from	Action taken
<b>Faculty Action taken Response</b>			
1	Theoretical topics like Theory of Structure and Building Materials have more material to cover in a short amount of time.Such situation would prevent attaining depth.	Faculty	The teaching plans and programme outcomes show how the faculty had also reacted favourably, and they had used effective pedagogy.
2	The curriculum can include smaller projects that are related to the main project while preserving the freedom for the pedagogy of each unique institute.	Faculty	Faculty from all years have discovered the common threads between two or more courses, and within a semester, common explorations for two subjects were scheduled.
3	The call for the Professionals appointed for the External Jury panel to conduct Viva has to put in a serious way. More Professional Architects should be jury member members.	Faculty	Internal viva and exams are suggested Faculty gave approval to call for jury members from the Architectural Industry
4	Design can be matched with 50% of cognitive and technological subjects. Assignments should demonstrate what students have learned.The takeaways are then used in design.	Faculty	A unfiltered effort involving all the disciplines and all the years was the teaching plan. Faculty coordinated the aims.

### Students Action taken Response

5	They need more time and weightage to practical and hands-on experience.	Student	More hands-on exercises were introduced in History, Climatology and theory of structures
6	Integrating the physical training in the routine. They want some more leisure time to get refreshed and remain healthy.	Student	Yoga classes introduced in audit course. Campus is kept open for leisure after college hours.
7	The subjects having less credits as compared to high credit subjects (e.g.- History v/s Design) are also intensive in content.	Student	Load on students was reduced by clubbing the explorations of two subjects. At university exams also it is allowed to use same prints of the work done for with aligned objectives for two subjects
8	To get more inputs in Design.	Student	Theoretical inputs were introduced in teaching plan of design, urban design and thesis.
9	To include more software in the syllabus.	Student	The new software will come in Market students must use that as tool. The basic tools like auto cad were introduced in the graphics in first year.

### Alumni Action taken Response

10	The syllabus should have more of practical training experience with the incorporation of studying new materials, their applications, new software applications.	Alumni	Visits to forums and exhibitions has been made mandatory and was included in the teaching plan. Time to time there are presentations on updated technologies in the institute.
11	More emphasis should be on Practical & empirical learnings	Alumni	Outbound & Experiential learnings has taken under serious consideration. Comprises with value addition electives in Academic syllabus.
12	Students Foundation need to be formed in college to support needy students for their fees.	Alumni	Through Alumni foundation is started .Alumni is looking care of all this activities and it is action.

### Employers ( Architects) Action taken Response

13	Framework to relate the professional practices and academics need to be well defined	Employers	The time to time interactions with the professionals have been introduced in the Architectural curriculum.
14	Students need to be take for foreign countries for Architectural visits so to have more exposure .	Employers	Working on formation of more Architectural visits within country. Will work on International Study Tours also .International MOU has been taken with the Universities aboard.
