Q. no. 21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

**Student Suggestions Survey Report**

**Practical Learning and Site Visits:**

Increase the number of site visits to gain practical knowledge in areas like building services, construction, and materials.

Incorporate practical learning opportunities during lecture hours by conducting on-site sessions.

Organize hands-on workshops and model-making sessions to enhance understanding of construction concepts, e.g., mini models for footing types, slabs, and scaled-down house construction.

**Curriculum Improvements:**

Introduce computer classes for 2nd- and 3rd-year students.

Allocate sufficient time for design submissions and provide detailed design programs.

Improve digital resource availability for enhanced learning.

**Enhanced Learning Methods:**

Include theory explanations using physical mini models to simplify complex concepts, such as the Theory of Structures.

Expand practical learning with creative activities like making mini concrete houses.

**Recreational and Cultural Activities:**

Increase the duration of tea and lunch breaks.

Encourage and support sports and cultural activities within the institute.

**Field Trips:**

Explore field trips to distant locations beyond the local area (Sangli) to provide broader exposure.

**Student Mentoring:**

Teachers should focus on understanding student needs and provide personalized mentoring to support learning.
