ANTI-RAGGING CELL 2023-24

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.

ABCA, Sangli. and its Anti-ragging committee is working to ensure compliance with the provision of these regulations in this field have also attempted to define ragging, under the UGC and SUK guild lines

It is liable to be punished in accordance with these Regulation as well as under the provision of any penal law for the time being in force.

Institution shall constitute a Anti-Ragging committee 2023-24

- Head of the Institute
- Consisting of representative of Civil and Police administration
- Local Media
- Representative of Faculty members
- Representative of Parents
- Representative of Students belonging to the fresher's category as well as senior Students
- Non – Teaching staff

Report of annual sports 2023-24

The following report provides an overview of the annual sports activities conducted throughout the year. It highlights the various sporting events, and participation of players in different sports events. The event aimed to promote physical fitness, foster teamwork, and showcase the sporting talents within our community. In the AY 2023-24, about 6 different sports events were conducted with enthusiasm. Students Sport committee took responsibility for organizing the annual sports event. Sports events start on said dates i.e. 06 and 14 January 2024. On the first day inauguration of the annual sports day has been done by the auspicious hands of Principal Dr. Ar. Arundhati P. Wategave. At the time of inauguration, all the B.Arch students, all HODs, and all faculties were present. Sports in-charge from the student Tejas Pol and Venkatesh Jadhav taken responsibility for annual sports. The staff in charge for sports Ar. Sunil Nitve and Er. Abhishek Navale conducted all sport activities with students.

About 40 students participated in the cricket. About 25 boys and 18 girls participated in volleyball competitions. About 50 boys and girls participated in the indoor sports competition. Alongside outdoor sports, the Annual Sports event also included indoor games to cater to a wide range of interests. Chess, Carom table tennis, and badminton were prominent indoor sports, with participants displaying exceptional mental focus, agility, and coordination. The annual sports events provided an excellent platform for athletes to showcase their skills, compete with other talented individuals, and bring pride to our college. The achievements in various sports events established the dedication and hard work put in by both athletes and team managers. The college remains committed to promoting sports and fostering a culture of healthy competition among its students. The success of this event would not have been possible without the hard work and dedication of the organizing committee, participants, and all those involved.

Celebration of "International Women's Day"

Aim:

International Women's Day (IWD) is to celebrate the social, economic, cultural, and political achievements of women, while also advocating for gender equality and raising awareness about the challenges and discrimination women continue to face globally. It serves as a reminder of the ongoing efforts needed to achieve gender parity in all aspects of life, including education, employment, healthcare, and representation in leadership roles.

International Women's Day (IWD) is celebrated on March 8th to recognize women's achievements and promote gender equality. The day also calls for positive change, education, and awareness about women's equality.

Celebration of women's day was carried on 15th March 2024 Friday, in college campus of Appasaheb Birnale College of Architecture, Sangli.

International Women's Day is marked by celebrating all aspects of a women's life. From being a housewife and taking care of her family to working as a professional outside home, the day aims to celebrate everything a woman does for her loved ones and for society.

Learning Outcomes:

- **Understanding Gender Equality:**
Students learn about the importance of gender equality and the need to address disparities between genders in various aspects of life, such as education, employment, and representation.
- **Awareness of Women's Contributions:**
Students gain knowledge about the significant contributions of women throughout history in areas like science, politics, arts, and social activism. They develop an appreciation for the diverse roles women play in society.
- **Critical Thinking Skills:**
Engaging in discussions and activities related to Women's Day encourages students to think critically about gender stereotypes, biases, and societal norms. They learn to analyze and evaluate information from different perspectives.
- **Empathy and Perspective-Taking:**
Learning about the challenges and experiences faced by women helps students develop empathy and the ability to understand others' perspectives, fostering a more inclusive and compassionate mindset.
- **Inspiration and Empowerment:**
Women's Day celebrations provide opportunities for students, especially young girls, to be inspired by the achievements of women role models. This can empower them to set ambitious goals for themselves and pursue their passions without limitations.
- **Promotion of Diversity and Inclusion:**
Students learn to appreciate and celebrate diversity in all its forms, including gender diversity. They understand the importance of creating inclusive environments where everyone feels valued and respected.

I/C. PRINCIPAL
APPASAHEB BIRNALE COLLEGE
OF ARCHITECTURE, SANGLI

- **Advocacy and Activism Skills:**
Through Women's Day activities, students may develop advocacy skills and learn how to speak up for gender equality and women's rights. They may also engage in activism efforts, such as organizing events or campaigns to raise awareness about gender-related issues.
- **Leadership Development:**
Students may have opportunities to take on leadership roles in planning and organizing Women's Day events. This fosters the development of leadership skills such as communication, collaboration, and decision-making.
- **Cultural Awareness:**
Women's Day celebrations often highlight the contributions of women from diverse cultural backgrounds. Students learn about different cultural traditions and gain a deeper understanding of the intersectionality of gender with other aspects of identity.
- **Community Engagement:**
Women's Day activities may involve partnerships with community organizations or service projects that benefit women and girls. This encourages students to actively engage with their communities and contribute to positive social change.

Women's Day celebrations can lead to valuable learning outcomes that promote gender equality, empower students, foster critical thinking and empathy, and inspire them to become advocates for positive change in their communities and beyond
