CRITERION :VI

Governance, Leadership and Management

Key Indicator 6.1- Institutional Vision and Leadership

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

**I/C. PRINCIPAL
APPASAHEB BIRNALE COLLEGE
OF ARCHITECTURE, SANGLI.**

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

The institute's Vision and Mission of APPASAHEB BIRNALE COLLEGE OF ARCHITECTURE have been unanimously developed with input from various stakeholders including management, faculty, industry professionals, and parents.

The vision statement is STUDENT CENTRIC, centred on the objective of producing highly skilled and globally recognised graduates, while the mission statement is in tune with the institution's unique attributes in addressing student and societal needs, aligning closely with the curriculum Program Objectives.

To ensure awareness and understanding of the Vision and Mission statements, they are published through various channels such as

- Institute website,
- Instagram and Facebook pages with radio partner
- Library, classrooms,
- Administrative offices, and
- Publications including information brochures and annual magazines.

Additionally, dissemination efforts extend to faculty meetings, student orientation programs, and parent meets and gatherings.

In pursuit of its vision, the institute receives full support from the management, with representatives engaged through the Governing Body and College Development Committee meetings, held twice a year in compliance with regulatory requirements. Furthermore, the Institutional Quality Assurance Cell (IQAC) serves as a liaison body, facilitating the maintenance and enhancement of quality initiatives through regular meetings under IQAC 61 different committee are formed to achieve the goals as per vision and mission

VISION

As Architecture and Planning is the backbone of built environment. Our institute is committed to develop the students with diverse perspective and ideas which generate sustainable architecture concepts and innovations that led towards the sustainability on the planet earth.

MISSION

To strive for quality architecture education by enhancing and preserving the ethical values of life and profession among the students. Our focus is to develop the concept of UASI – Understanding Analysis Synthetization & Innovation which is the base of a quality education creates the strong pillar of education. Such concept of education leads towards the development of sensitivity and responsibility of the society.

Vision and Mission are displayed at all the prominent places. These are also communicated to the students, faculty members, administrative staff and the other stakeholders.
