## 1.0 OPEN SPACE DEVELOPMENT AT ANANDVAN BALOUDYAN -2023/24

### 1. Title of the Practice

Sustainable Open Space Development Using Recycled and Waste Materials at Anandan Baloudyan, 100ft road, Vishrambag, Sangli.

### 2. Objectives of the Practice

To promote sustainability by creating open spaces using recycled materials like plastic bottles, tyres, bamboo, and building waste, fostering environmental awareness, creativity, and community engagement.

### 3. The Context

In the face of rapid urbanisation and waste accumulation, the college sought to address both the shortage of functional open spaces and the growing environmental concerns. The challenge was integrating recycled materials into aesthetic and usable designs within budget constraints.

### 4. The Practice

Students of Appasaheb Birnale College of Architecture designed and built an open space using waste and recycled materials, including plastic bottles, tyres, bamboo, and construction debris. The project encouraged innovation and highlighted eco-friendly construction methods while addressing space shortages. Challenges included sourcing quality materials and ensuring structural integrity, but creative solutions were employed.

### 5. Evidence of Success

The completed open space became a popular spot for students and visitors, demonstrating the viability of using waste materials in construction. The project gained positive feedback for its aesthetic appeal, functionality, and environmental contribution. The success was measured by the increasing engagement in eco-friendly initiatives on campus.

### 6. Problems Encountered and Resources Required

Challenges included sourcing sufficient quantities of suitable waste materials, dealing with the technical difficulties of recycling complex materials, and managing labor and time constraints. Resources needed included skilled labor, collection infrastructure, and collaboration with local recyclers.

### 7. Notes

This project can serve as a model for other institutions looking to address waste management while creating functional, green spaces. Replicating the practice requires community collaboration, sustainable material sourcing, and strong

**Subject: Regarding internship for event management.**

Respected Madam,

I am reaching out to you on behalf of credai sangli exhibition regarding an exciting internship opportunity for students from Appasaheb Birnale College of Architecture, Sangli. We are interested in inviting students to participate in an internship program during an upcoming event hosted by CREDAI Sangli.

We believe that engaging students from your esteemed institution as interns will not only provide them with invaluable hands-on experience but also greatly contribute to the success of our event.

We assure you that this internship opportunity will be structured to align with the academic schedule and priorities of the students. Additionally, we will provide necessary guidance and supervision throughout the internship period to ensure a positive and enriching experience for all participants.

We understand the importance of academic commitments and will ensure that the internship roles are designed to accommodate students' schedules and priorities. Moreover, this internship experience will serve as a valuable addition to their academic journey, allowing them to apply their theoretical knowledge in a practical setting while fostering professional skills and networking opportunities.

In light of the above, we kindly request your permission to approach interested students from your institution and coordinate their participation as interns for the CREDAI Sangli event. We are confident that the participation of students from Appasaheb Birnale College of Architecture will greatly enhance our event, and we look forward to collaborating with you to facilitate this internship opportunity.
