## Student Exchange Program between IIT Kanpur & ABCA Sangli

### Sangli

- Abca Sangli and IIT Kanpur have collaborated on a student exchange program focused on earthquake-resistant structures, in partnership with the National Institute of Earthquake Engineering. This exchange program began on 01/07/2019 and aims to provide students with hands-on experience in designing and analyzing structures that can withstand earthquakes. Students from Abca Sangli and IIT Kanpur will have the opportunity to study at each other's institutions, participate in joint research projects, and learn from experts in the field. This collaboration seeks to develop skilled professionals who can design and construct earthquake-resistant buildings, which is crucial in earthquake-prone regions. Overall, this exchange program will benefit students from both institutions and contribute to the development of earthquake-resistant infrastructure in India.
